

Crop Residue Management – Kisan Gosthi and Fair

Date: 16th November, 2023

Venue: Madlauda, Panipat

Haryana Kisan Kalyan Pradhikaran (HKKP) in collaboration with Agriculture and Farmers Welfare Department organized a one day Kisan Gosthi and fair in village Urlana Kalan, Madlauda, Panipat on 16th November, 2023. The District officers of agriculture, animal husbandry, fisheries department and KVK &

around 500 farmers were present in the event. The objective was to make farmers aware of the fact that proper management of crop residue can improve soil health, reduce greenhouse gas emissions, and provide a renewable energy source.

Sh. Bhupinder Singh, CEO, HKKP, appreciated the farmers for less reported cases of stubble burning this year. He encouraged farmers to pay attention to the soil health and conserving water.
